APPOINTMENT OF MEMBER TO THE PERMANENT SELECT COMMITTEE ON INTELLIGENCE

The SPEAKER pro tempore. The Chair announces the Speaker's appointment, pursuant to clause 11 of rule X, clause 11 of rule I, the order of the House of January 4, 2021, and the order of the House of March 12, 2021, of the following Member of the House to the Permanent Select Committee on Intelligence:

Mr. GALLAGHER, Wisconsin

RESTRICT USE OF NO-KNOCK WARRANTS

(Ms. MCCOLLUM asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MCCOLLUM. Mr. Speaker, it has been 342 days since the House of Representatives passed the George Floyd Justice in Policing Act. For 11 months, Senate Republicans have filibustered this bill, blocking meaningful change and accountability to address systemic racism and the use of excessive force.

One critical reform that can wait no longer is restricting the use of no-knock warrants. These extreme warrants too often create dangerous situations for innocent bystanders as well as for suspects and law enforcement.

That is why the Saint Paul Police Department has not issued a no-knock warrant since 2016. But the Minneapolis Police Department continues to insist on using these no-knock warrants.

The irresponsible choice that they are making has resulted again in a death, the killing of Mr. Locke last week, another life cut tragically short during a no-knock search, a headline that we have become all too familiar with. That is why we need Federal reforms now.

The House has done its job. The Senate must do its job, stop stalling, and pass the George Floyd Justice in Policing Act.

HONORING JOE SOUSA

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize and honor Joe Willie Sousa for being inducted into the Georgia Association of Broadcasters Hall of Fame.

Joe is no stranger to the Georgia broadcasting awards scene, as he also earned the Best Pandemic Coverage Award. In the face of a public health crisis, Joe's knowledge and expertise helped educate listeners on issues of supreme importance to them. He developed this experience as an on-air radio personality for several stations over his four decades-long career.

His career began in the 1970s when he took a chance to get into broadcasting while working at a Winn-Dixie in Brunswick. He had planned to attend the University of Georgia after graduating high school but got his big break when he was introduced to Ed Wright and began working on a radio show from 7 to midnight.

After only a year of work, and showing off his natural talent, Joe had shown he was more than capable, and Wright offered him a spot on the morning show. The rest, as they say, is history.

Since that day, Joe has broadcast his personality across the airwaves, and we hope to continue to hear from him for years to come.

SAFE, HEALTHY, AND SUSTAINABLE TRANSIT OPTIONS

(Ms. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. UNDERWOOD. Madam Speaker, public transportation that everyone can access is a critical, long-term investment in our communities.

The bipartisan infrastructure law is the largest Federal investment ever in safe, healthy, and sustainable transit options for millions of Americans, options like Pace bus that keep seniors and our neighbors in my community in northern Illinois connected.

Not only will the bipartisan infrastructure law continue record job growth by adding millions more good-paying union jobs; it invests \$4.5 billion in Illinois for critical upgrades and repairs to aging transit infrastructure.

Last week, I visited the Crystal Lake Metra station to highlight the difference this money will make for us at home. Now, Metra can invest in upgrading ADA accessibility and replacing decades-old railcars with cleaner alternatives.

I am proud to work with the Biden-Harris administration to improve, modernize, and expand our public transportation infrastructure.

CONGRATULATING HEARD, MCELROY & VESTAL ON 75TH ANNIVERSARY

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Madam Speaker, I rise today to congratulate my good friends and community leaders who have been serving my hometown of Shreveport for a remarkable 75 years.

The CPA firm of Heard, McElroy & Vestal has been an integral part of our community since 1946. In fact, founding partner Charles McElroy served as one of the first chairmen of the Louisiana Certified Public Accountants.

From the very beginning, the firm has established itself as a pillar of trust, integrity, and competence. Their firm is now one of the largest public accounting groups in northwest Louisiana.

This firm and its over 100 employees have worked faithfully for the people of Louisiana every day, and they have continued to be a cornerstone for our region. We are blessed to have their mission of accounting excellence and commitment to integrity as a part of our community.

Thank you to my friends for serving so well for all of these years, and happy 75th anniversary.

CELEBRATING THE CAREER OF TOM BRADY

(Mr. AUCHINCLOSS asked and was given permission to address the House for 1 minute.)

Mr. AUCHINCLOSS. Madam Speaker, I rise today to celebrate the career of Tom Brady.

As the Congressman for Foxborough, Massachusetts, I represent the home of the New England Patriots. For 20 of his 22 seasons in the National Football League, Mr. Brady was a Patriot. He brought pride and six Super Bowl victories to my district and to the fans of New England.

Mr. Brady embodies excellence. He is the greatest football player of all time, and his final MVP-worthy season is an indication that he was still getting better when he retired.

He won 35 playoff games throughout his career. That is more than double the second-place quarterback. Even down by 25 points with little more than 15 minutes on the clock in the biggest game, he never gave up on his team.

Indeed, teamwork was Tom Brady's top talent. He elevated others through his team-first ethic and his competitive drive. From the sixth round to seven Super Bowls, the GOAT was always focused on the team, not himself.

On behalf of two decades of Foxboro Faithful, I thank Tom Brady for the memories.

HONORING THE LIFE OF ANDREW SPYROW

(Mrs. MILLER-MEEKS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. MILLER-MEEKS. Madam Speaker, I rise today to honor the life of a young man in my district.

On February 1, Andrew Spyrow of Bettendorf passed away after a nearly 4-year battle with brain cancer.

Andrew was a lifelong native of Bettendorf, graduating from Our Lady of Lourdes and Assumption High School, where he developed many lifelong friendships. He loved playing sports and running, participating in several marathons across the country.

I first met Andrew in 2014 when he volunteered and worked at the RNC victory office in Bettendorf.

Andrew was a devoted husband, son, and father. After his cancer diagnosis, Andrew built a beautiful family. He married his best friend and love of his life, Mary. They had two beautiful children, Audrey and Oliver.

No matter what was happening in his life, Andrew always put the needs of others first. Even when he was fighting cancer, he always made sure to ask how others were doing, never complaining about his diagnosis.

Andrew's family, friends, and his RNC friends are in our prayers during this difficult time.

RECOGNIZING MOTHER HATTIE WHITE'S 100TH BIRTHDAY

(Ms. TLAIB asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TLAIB. Mr. Speaker, I rise today to celebrate Mother Hattie White, a longtime resident of Southwest Detroit, in Michigan 13 District Strong, on the occasion of her 100th birthday.

Mother Hattie White was born on February 23, 1922, in Alabama and later moved to River Rouge, Michigan. She married the love of her life, Albert James White, in 1946. They were married for 52 years and raised their seven children in River Rouge and Southwest Detroit neighborhoods with love and instilling an ethic of responsibility and kindness toward others.

In 1967, Mother White and her husband started a community church, Love Joy Missionary Baptist Church, in River Rouge, which cemented her role as a matriarch of our community.

Mother White shines bright in the community and has brought so much joy to her family, friends, and neighbors.

Please join me in wishing her a happy 100th birthday.

FENTANYL OVERDOSES SKYROCKETED IN 2021

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, in 2021, U.S. drug overdoses due to fentanyl skyrocketed, and it is now reported to be the leading cause of death for Americans aged 18 to 45. The leading cause of death for Americans between 18 and 45 is imported fentanyl, mostly coming across our open southern border.

Instead of combating this epidemic by prosecuting drug traffickers or banning molecularly altered fentanyl substances, the Biden administration is making America's drug problem worse by actually putting crack pipes into the hands of users—crack pipes distributed by the U.S. Government into the hands of drug users. Yes.

This has been already modeled in San Francisco, so I guess we want to do the Californication of the rest of the country with these crazy ideas coming from the Biden administration. Boy, we have gone from just don't do it to, hey, just hand it all out.

It is unbelievable that this is a policy at a time of drug problems in this country skyrocketing, harm coming to people, and the Biden administration wants to hand out free crack pipes in the name, I guess, of racial equity. Unbelievable.

CRACK PIPE DISTRIBUTION BY BIDEN ADMINISTRATION

(Mrs. LESKO asked and was given permission to address the House for 1 minute.)

Mrs. LESKO. Mr. Speaker, I was just listening to Congressman LAMALFA from California, and I couldn't agree with him more.

Here we are, in the United States, where crime is skyrocketing. Fentanyl is crossing the border in record amounts and is the number one cause of death for ages 18 through 45.

Here, today, I see this headline. I just googled it and came up with this one from blackenterprise.com. The headline says: "Biden administration to fund the distribution of crack pipes and syringes to promote 'racial equity.'"

"On Monday, applications closed for the Biden administration's new \$30 million grant program to provide crack pipes and 'smoking kits' to promote 'racial equity.'"

Are you kidding me? Our crime is rising, and this is what the Biden administration thinks is the priority? It is nuts.

NFL'S LACK OF RESPONSE TO RACISM

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, many of our jurisdictional committees have oversight over the major league sports teams, from baseball to basketball to football.

As a member of the Judiciary Committee, I have been engaged with my committee in the oversight of the National Football League. In fact, I remember more than a decade ago we were the first committee to deal with brain concussions and the lack of response by the NFL to the players.

Today, I rise for the lack of response to racism and racial discrimination in the NFL. I take note of the lawsuit filed by Coach Brian Flores and would hope that the words, "it is without merit" will not stand.

I believe it is important, with the number of minority players versus the number of coaches to that in terms of statistics, that we address the seeming appearance of racial discrimination in the NFL. I think it is important to reassess the Rooney rule to give a criteria for how coaches are selected, so mistakes like the coach from Boston sending the wrong notice that "you have been hired" to someone else would not happen.

To Mr. Goodell and the owners, let's work together, let's get the teams to look like America.

CRISES FACING AMERICA

The SPEAKER pro tempore (Mr. AUCHINCLOSS). Under the Speaker's announced policy of January 4, 2021, the gentleman from Louisiana (Mr. JOHNSON) is recognized for 60 minutes as the designee of the minority leader.

GENERAL LEAVE

Mr. JOHNSON of Louisiana. Mr. Speaker, I ask unanimous consent that
